

AUDIO & ACOUSTICS

ACOUSTICS FIRST

2247 Tomlyn Street, Richmond, VA 23230
800-342-2900 . www.acousticsfirst.com

Acoustics First designs, manufactures, distributes, and sells acoustical panels and soundproofing materials to control sound and eliminate noise. These sound and noise control products include sound absorbers, diffusers, noise barriers, and vibration control devices from people who have been giving out sound advice for over 30 years. The principals of Acoustics First® have been in acoustics since the seventies, when they introduced industrial foam as an acoustic panel for recording studios. Back then, everything had to be built by hand since there were no off-the-shelf acoustic solutions.

HEAR TECHNOLOGIES

991 Discovery Drive, Huntsville, AL 35806
256-922-1200 . www.heartechnologies.com

Hear Technologies is the new Pro Audio product division of Quantum Technologies Inc., a world leader in custom audio/video systems. Our mission is to offer unique and affordable solutions for personal and professional systems and support them with the industry's best customer service. We have recently launched our new personal monitor mixer system, Hear Back, giving you the control to get your mix exactly the way you want it, the first time. Other various lines of products include Mix Back, a flexible and affordable 16 x 12 x 2 x 2 monitor mixer; Extreme Extenders, units designed to extend ADAT optical up to 500 feet with no loss of audio quality; and the Hearbud & Headset Monitor, audiologically designed in-ear monitor headset delivering professional performance, comfort, and versatility. We want to hear from you! To request more information about Hear Technologies and our products or to share your feedback with us, please send us an email at: info@heartechnologies.com.

ATHLETIC FACILITIES

BIO-DEX LABORATORIES

4212 W. Innovative Drive, Phoenix, AZ 85086
800-617-3477 . www.bio-dex.com

Bio-Dex is a trusted industry leading manufacturer of chemicals for pools & spas. Our continuous dedication to developing and improving the chemicals that make swimming pool treatment and maintenance easier and more effective is the reason Bio-Dex products have been the choice of pool service professionals for over five decades. Our products are for anyone concerned with pool maintenance for both chlorine and salt water pools who are looking to prolong the life of a pool and protect the expensive equipment involved. We offer a diverse line of swimming pool chemicals that are effective for both common and more involved pool maintenance.

LIGNOMAT

14345 N.E. Morris Court, Portland, OR 97230
503-257-8957 . www.lignomatusa.com

When needing to know a wood's moisture content, let Lignomat help. They carry a full line of pin and pinless moisture meters, meter packages and related accessories. These handheld moisture meters are designed for professionals including architects, building inspectors, carpenters, contractors, restoration specialists and other working professionals who need a reliable method of determining moisture levels in wood, sheetrock, gypsum and other building materials. Each moisture meter measures the material's present moisture levels and determines if the material is ready to use, needs further inspecting or requires discarding.

SUITMATE BY EXTRACTOR CORPORATION

800-553-3353 . www.suitemate.com

Keep the pool out of your locker room: Pool water damages your locker room one swimmer at a time. Wet, dripping swimsuits harm facilities by rusting metal lockers, delaminating wood finishes, and ruining carpets and furniture with mold

and mildew. SUITMATE uses an exclusive high-speed spin process to pull out water and make a wet suit drip-free in seconds, without heat.

VANTAGE

6010 NW First Place, Gainesville, FL 32607
352-378-9696 . www.vantagewatercare.com

The Vantage Water Care Program is a comprehensive water maintenance plan designed for commercial pool operators, utilizing chlorination or bromination as the primary sanitation method. The Program combines the effective and reliable sanitation properties of chlorine or bromine sanitizers with the remarkable clarification properties of a new compound called Poly-A Tablets. These components are added to an overall water management framework that encourages sparkling clear water. The Vantage Water Care Program gives your commercial pool the highest quality water in the most efficient, operator-friendly and cost-effective program available. It is a straightforward operation consisting of a number of components. The size and installation of these components are carefully determined according to your pool's specific needs and demands.

WATERPARK TECH

www.waterpacktech.com

WATERPARK TECH is a portion of the Creative Polymers Inc. product line that focuses on the pool and waterpark and leisure industry. Creative Polymers specializes in high performance and unique epoxy and polyurethane / polyurea systems. Creative Polymers is an innovator in specialized high performance elastomeric and coating technology. While there are a lot of companies that claim high performance, Creative Polymers proves this in a number of ways: Identifies markets and applications that could use the next level of coatings technology, looks for areas that have performance issues and need solutions, and focuses research and testing in developing products that address key area needs of the recreation industry.

Sound Abatement Membrane

Super SAM® 125 is a premium, self-adhering, sound deadening sheet membrane for use on surfaces that require impact and airborne sound reduction. Laboratory certified testing on a bare 6" concrete slab sets Super SAM® apart from the competition.

IIC: 51 STC: 54 ΔIIC: 22

The Delta II is the truest and most accurate measurement of a membrane system and Super SAM® 125 has the best in the industry. The most effective all-purpose membrane on the market, Super SAM® 125 provides crack isolation protection up to 3/8" and can also be used as a waterproofing membrane.

CONSTRUCTION

AMERICAN BUILDINGS COMPANY

888-307-4338 . www.americanbuildings.com

For more than 65 years American Buildings Company has been pioneering the design, manufacture and delivery of metal buildings and roofing systems that set the industry standard. From educational and athletic facilities to retail, industrial and commercial structures, the ABC family of more than 850 authorized Builders has the expertise to exceed expectations for custom engineered metal building projects in a variety of industry segments. ABC delivers a proven combination of products, technology, and customer service to accurately execute projects on time and on budget through four strategically-located engineering and manufacturing facilities. Locations include Eufaula, AL., Carson City, NV., El Paso, IL., and LaCrosse, VA.

DORLEN PRODUCTS INC.

6615 W. Layton Avenue, Milwaukee, WI 53220
414-282-4840 . www.wateralert.com

Dorlen Products, a water leak detection company, has been manufacturing surface water leak detection equipment since 1975. Our water leak specialists are dedicated to selling the highest quality, lowest maintenance leak sensors available today. Our leak sensing systems are rugged yet sensitive to detect even a thin film of water...without false activations. Water Alert leak detection equipment is designed to maximize protection by having continuous monitoring 24/7. Our water line leak detection equipment detects small leaks such as condensate water overflow, chiller water leaks, plumbing line cracks, heating/cooling piping leaks, outside seepage and more before damage and downtime occur. The water detector alarm features vary by model.

MAJOR INDUSTRIES

7120 Stewart Avenue, Wausau, WI 54401
888-759-2678 . www.majorskylights.com

Major Industries manufactures energy-saving skylights, translucent wall systems and canopies that fit a wide range of

applications and budgets. Major is also the only manufacturer to offer three distinct translucent panel daylighting systems: value-driven LightBasic™ systems, Guardian 275® skylights and wall systems that offer numerous system options, and Clima-Tite™ systems with pultruded fiberglass framing for enhanced thermal performance and corrosion resistance and a unique snap-to-lock installation feature that eliminates the need for unsightly visible fasteners. For more information about Major Industries' full line of daylighting systems, call 888-759-2678, email us at info@majorskylights.com or visit our website.

OVERLY DOOR COMPANY

574 West Otterman Street, Greensburg, PA 15601

<http://door.overly.com>

Overly Door Company is a custom specialty door and window manufacturer. Industry leading Architects utilize our products to achieve the exact specification their facility requires. We provide many "out-of-the-box" solutions for your standard needs. We also specialize in custom barrier systems. Specify Overly Door Company for all of your standard or custom needs.

SPECIAL-LITE, INC.

P.O. Box 6, Decatur, MI 49045

800-821-6531 . www.Special-Lite.com

Special-Lite has manufactured exterior doors and frames for the educational and institutional market since 1971. Our long lasting, low maintenance required entrances save facility managers' time and costs by providing high performance entrances - even when installed in the most demanding of locations. They are perfect for new or renovation projects. We build to order and have many door types: all fiberglass door & frames, frp/aluminum hybrid flush door, aluminum flush door, frp woodgrain or colonial flush, and medium or wide stile and rail doors. We have HVHZ entrances and doors/framing that meet and exceed the ASHRAE Standard. Also, try Special-Lite FRP Toilet Partitions and Omega® Interior Aluminum Framing and Door.

VP BUILDINGS

3200 Players Club Circle, Memphis, TN 38125

901-748-8000 . www.vp.com

Varco Pruden is the world leader in Steel Systems Construction. VP Buildings is a world leader in the pre-engineered steel systems construction industry, each year manufacturing approximately 6,000 buildings ranging from 1,200 square feet to more than one million square feet under roof. With headquarters in Memphis, Tennessee, we operate six strategically located manufacturing and service centers from coast to coast. Our network of more than 1,000 independent Authorized VP Builders offers state-of-the-art design/build services in local communities across the United States and Canada, as well as throughout Central and South America, Europe, and Asia.

COOPERATIVE SERVICES

E&I COOPERATIVE SERVICES

www.eandi.org

E&I Cooperative Services is the member-owned, not-for-profit sourcing cooperative delivering expertise, solutions and services to higher education and related institutions. Members have access to a diverse portfolio of competitively awarded contracts, electronic procurement platforms and consulting services. By leveraging the knowledge and expertise of more than 3,000 member institutions, E&I helps members reduce costs and optimize supply chain efficiencies. The Cooperative's member-driven competitive solicitation process meets generally accepted procurement standards across the nation.

FLOORING

AMERICAN BILTRITE

800-479-0190 . www.american-biltrite.com

healthcare, educational and institutional sectors, while in industrial rubber we supply other companies with the materials they need for a host of applications. Between the two there is excellent synergy in R&D, technical expertise and product innovation. Through nearly a hundred years of careful growth, American Biltrite has built a reputation for the quality of its products and the sincerity of its commitment to customer service. With ISO 9001:2008 since 1996 and ISO 14001:2004 since 2011, FloorScore certification and products which help meet the LEED requirements, American Biltrite continues to improve its processes and products.

MUSSON RUBBER

P.O. Box 7038, Akron, OH 44306
800-321-2381

www.mussonrubber.com

For over 65 years, Musson Rubber has been a pioneer and leader in the development, manufacture and distribution of safety stair coverings and flooring materials. Musson Rubber specializes in stair coverings and entrance matting for commercial, institutional and industrial use. Herein lies the most complete and comprehensive line of top quality rubber and vinyl stair coverings and entrance mats for use in public buildings. Musson is also a major distributor of industrial rubber products. Representing over 100 different suppliers in major markets gives Musson the ability to provide competitive products and service in today's demanding environment.

NAC PRODUCTS

800-633-4622 . www.NACProducts.com

For more than 30 years, NAC Products has been an innovator of high quality products for hard surface flooring and building applications. NAC membrane systems provide waterproofing, sound reduction, and crack isolation protection for residential developments like high rise condos, dormitories and hotels, and commercial projects like malls and airports. NAC membranes have been laboratory tested and exceed the industry standard for sound abatement, crack isolation and waterproofing membranes. NAC membranes have been featured in thousands of commercial, residential and industrial applications worldwide and are the #1 architecturally specified, owner/contractor preferred, and lab tested membranes on the market today. Membrane systems that protect your flooring investment, that's NAC Products!

BONA US

2550 South Parker Road Ste 600, Aurora, IL 80014
800-872-5515 . www.Bona.com

Since 1919, Bona® has been passionate about the beauty and function of hardwood floors. Even as we have grown over the last 100 years, now with presence in over 90 countries, we never compromise on quality or service. Bona Sport® products ensure superb durability and appearance for wood sport floors. Minimize risk in finishing for basketball, volleyball, racquetball, aerobics, or any hardwood sport floor with products designed to work as a team at each step of the process. Bona Sport Systems consistently produce championship appearance and performance for high schools, colleges and professional arenas across North America.

FORBO FLOORING SYSTEMS

8 Maplewood Drive, Hazleton, PA 18202
1-800-842-7839 . www.forboflooringna.com

Create beautiful, durable, healthy learning environments with Forbo Flooring Systems. Forbo's Marmoleum Composition Tile (MCT) is made from natural raw materials with inherent anti-static properties that repel dust, making it easier to maintain a healthier environment for students and staff. MCT is naturally free from PVC, phthalates, pesticides, and other harmful additives. It's sustainable, water-based Topshield 2 finish provides occupancy-ready installation and exceptional performance against soiling, staining, scratching, scuffing and squeaking. Forbo's Flotex Modular Tile combines the function and durability of a 100% waterproof, high-performance carpet, with the beauty and versatility of a 10"x40"

modular tile. Flotex Modular Tile provides a warm, comfortable, hygienic flooring solution that is well-suited for dorms, classrooms and dining areas.

GAI-TRONICS

400 East Wyomissing Avenue, Mohnton, PA 19540

800-492-1212 . www.gai-tronics.com

GAI-Tronics®, a Hubbell Company, is the largest company focused on the communication needs of the world's industrial and commercial markets. Our RED ALERT® Emergency Telephones provide hands-free operation via analog, VoIP, WiFi, and Cellular technologies and can be monitored for health and activity from a central location with our TMA software application. Our Blue Light Stanchion Towers are recognized at colleges across the United States, not only for their appearance but also their reliability. GAI-Tronics' high level of quality sets the standards by which many others are measured.

IOTA ENGINEERING

www.iotaengineering.com

IOTA provides critical emergency Life Safety egress performance for existing lighting systems. In the event of a loss of normal power, IOTA emergency lighting products enable existing fixtures to deliver code-required emergency illumination along the paths of egress for building occupants. Available emergency solutions include field installable emergency LED drivers, mini and micro unit inverter systems, emergency ballasts for fluorescent and LED retrofit tubes, and energy-saving auxiliary control devices.

NIGHTLOCK

www.nightlock.com

Whether it's a small Day Care facility or 400-room school, college dorm or office complex, NIGHTLOCK provides protection in just seconds for emergency lockdown situations. Teachers and employees simply drop the locking handle into the floor plate. Most lockdown policy procedures for classrooms include "barricading the classroom door," with items such as desks or furniture. Most state Fire Officials approve devices like Nightlock Lockdown. Many fire code officials now apply a variance in codes to allow these temporary barricade devices for emergency events. The NIGHTLOCK® Lockdown uses the strength of the floor to withstand tremendous force, and works on any outward- and inward-swinging doors. The NIGHTLOCK unit is installed at floor level, and remains out of reach to anyone attempting to enter by breaking window glass on conventional classroom and office doors.

LIGHTING

B.E.G. CONTROLS

277 Hwy 74 N. Suite 319, Peachtree City, GA 30269

www.begcontrols.com

B.E.G. Controls, a worldwide leader in building automation technology, is bringing an innovative approach to North America. We have committed to achieving the highest levels of customer service and provide unmatched product quality, through unique and innovative solutions for the North American market. Parent company Brück Electronic GmbH is family owned and was founded in 1975 with its headquarters in Lindlar, Germany (near Cologne). Through German engineering and high corporate standards, the company is renowned for its high quality, innovative products, and focus on customer satisfaction. B.E.G. built its reputation with unique and innovative emergency lighting and exit sign products. In 1986 B.E.G. became one of the first companies in Germany to produce motion detectors for automatic lighting control. Since then, B.E.G. has developed a comprehensive line of indoor and outdoor motion, occupancy and vacancy sensors for both commercial and residential applications.

If not completely satisfied, return it to us for a no-hassle refund or credit.

OUTDOOR AMENITIES

BELDEN BRICK

700 Tuscarawas Street W., Canton, OH 44702
330-456-0031 . www.beldenbrick.com

Choosing brick over other alternatives is the foundation for a smart, long-term investment in durability and beauty. Brick

gives you the highest-quality, energy efficient, environmentally friendly product than any other structural building material and it has a life expectancy of hundreds of years. Belden Brick is the unparalleled choice above all other materials options. As an Industrial leader the Belden Brick Company delivers the largest selection of more than 500 colors, 20 sizes, 13 textures and unlimited shapes, Belden Brick can meet all building needs with the time-honored quality and experience the Belden name represents. Belden Brick: "The Standard of Comparison since 1885."

EARTHPLANTER

877-815-9276 . www.earthplanter.com

EarthPlanter self-watering planters deliver commercial grade quality and performance for professional grounds and facility managers. Recommended by Professional Grounds Managers at top colleges and universities including Auburn University, Notre Dame, Syracuse University, Xavier, University of Louisville, Villanova, University of Memphis, Holy Cross and many more. Go up to 30 days between watering cycles. Labor saving of \$1000/month or more. Uses up to 80% less water. Produces bigger, more vibrant results versus traditional planters

KAY PARK RECREATION

1301 Pine Street, Janesville, IA 50647
800-553-2476 . www.kaypark.com

Kay Park Recreation has been a manufacturer of commercial outdoor furniture since 1954. We offer a large selection of park and playground equipment and commercial grade site furnishings, including outdoor tables, grills, benches, trash containers, drinking fountains, planters, umbrellas, bollards, shade canopies and bike racks. We have a complete line of bleachers and grandstands, as well as some outdoor athletic equipment, play systems and a rental-duty fiberglass pedal boat. Please browse through our selection at our website, and feel free to contact us if you have any questions.

MADRAX

1080 Uniek Drive, Waunakee, WI 53597
800-448-7931 . www.madrax.com

With today's emphasis on biking and walking, bicycle parking for your school or university campus is more important than ever. Madrax can help you meet the needs of students, teachers, and the surrounding community by offering a wide range of bike parking options. To meet the challenge of frequent and multiple end-users, we produce a great variety of racks that are affordable, functional, and attractive. We also offer racks that are especially designed to guard against theft, and all of our racks are easily installed. Madrax bike racks are your answer to the problem of largescale parking requirements. Partner with Madrax to enhance your campus vision.

PINE HALL BRICK

2701 Shorefair Drive, Winston-Salem, NC 27105
800-334-8689 . www.pinehallbrick.com

Pine Hall Brick Company, in business since 1922, has four manufacturing plants—two dedicated to making genuine clay pavers, including a permeable clay paver line. We're the largest clay paver producer in the US. Our StormPave and RainPave permeable clay pavers can help your project qualify in up to six LEED categories. Our architectural face brick line called the Spektra Series includes eight colors of admix brick in tans, greys, reds and pinks. We also have forty styles of sand-finished face brick at our plants in Madison, NC, and Fairmount, GA. Our Madison Tidewater series of true tumbled face brick comes in eight styles with bullnose, steptreads, watertables and arches in stock in these colors.

SIGNAGE

SPORTS AND FITNESS

ABACUS SPORTS INSTALLATIONS

2330 Dairy Road, Lancaster, PA 17601
800-821-4557 . www.abacusports.com

Abacus Sports installs various types of sports surfacing for gymnasiums, running tracks, tennis courts, weight rooms and athletic locker rooms. In addition to sports surfaces we install synthetic rubber flooring for multi-purpose facilities, banquet halls and other social events. We are a leader in synthetic flooring. Abacus can turn your facility into a great place to congregate for sports performances and social gatherings. We provide the synthetic flooring for both sport and recreational use so your facility can be used to its full potential. This surfacing is resilient against heavy foot traffic, bleachers and pointy shoes, which makes it perfect for multiple uses. Abacus specializes in inlay platforms for weight rooms. We helped created and develop this product by producing a sub-layer flooring that protects the concrete from the heavy weights dropping. The level platform can help create a more effective weight room for your athletes. Customize your surfaces with Abacus.

AACER SPORTS FLOORING

715-582-1181 . www.Aacerflooring.com

Aacer Sports Flooring, a MFMA Member Mill, is a leading manufacturer of high-performance hardwood flooring and sub-floor systems for the sports and recreational industry. All wood is milled and graded to a high standard in their Peshtigo, WI, facility. They pride themselves on delivering product that is consistent and of superior quality ultimately allowing for easy installation. Visit Booth #808 to learn why Aacer's flooring receives high marks for vibration reduction, shock absorption, flooring resiliency, moisture resistance and dead-spot elimination. Aacer also supplies synthetic flooring in a variety of textures, colors and gauges to fit your project needs and budget.

ANTIWAVE

866-736-2183 . www.antiwave.com

Antiwave was founded in 1971 by former professional water polo player and current 2017 FINA Masters 70+ Goalie Anti Kajlich. Antiwave equipment was first selected for the 1972 Olympic Games in Munich, as well as the 1st World Aquatics Championships in Cali, Colombia, in 1975. Since then Antiwave has led the world in product innovation and development and Anti Wave products have been featured in dozens of Olympic games including Sydney's 2000 Games where we contributed in breaking 15 World Records. We have also been featured in over 50 internationally recognized events. Today, Anti and his son Anton continue to design, innovate, and produce the world's best Aquatic Sports products. There is Licensed production in 8 countries around the world and Anti Wave products are exported to over 150 countries. Here at Antiwave Americas, we mold and assemble lanes in our Constantine, MI, plant and import Waterpolo products from our regional partners. We look forward to serving you.

MICROFIT, INC.

800-822-0405 . www.microfit.com

MicroFit, Inc. has been producing quality Fitness/Wellness assessment software and medical grade testing equipment since 1986. Several hundred colleges and universities

have benefited by using a wide range of MicroFit products designed to Evaluate, Educate, Track Progress, and Motivate students, faculty, and the community to adopt healthier lifestyles. We recently introduced its MF-1215 treadmill to complete the total MicroFit FAS-2 System Fit-Lab concept, an affordable package that fits an area 12' x 12' and is guaranteed to upgrade any recreation facility wanting a total integrated approach to enhance their fitness / wellness assessment solutions. For more information call Rob Rideout at 800-822-0405, or you can schedule a Free webinar overview of the HealthWizard software suite.

NATIONAL SPORTS PRODUCTS

800-478-6497 . www.NationalSportsProducts.com

At National Sports Products, we understand that having the right equipment can be the difference between winning and losing. NSP, a division of Douglas Industries, Inc. is the leading manufacturer and supplier of sporting goods and equipment. We provide quality products in a wide selection of styles and prices – all with the outstanding service you deserve. Some of our proprietary product lines include tennis nets and posts, batting cages, custom netting, basketball systems, windscreens, field covers, padding, and more. You expect your team to work hard, give it their all, support their team members, and play with honesty and integrity. We believe your equipment partner should as well, and with over 45 years of performance, NSP is dedicated to fulfilling your sports equipment needs.

ROYAL BASKET TRUCKS

201 Badger Parkway, Darien, WI 53114

800-426-6447 . www.royal-basket.com

Continual product development and enhancements have made Royal a recognized brand of material handling solutions for many markets. Today we manufacture basket trucks and specialty laundry carts in 12 vinyl colors or canvas or molded poly. Every product is made to order. This allows us to customize our wire frame carts by making size

modifications specific to a customer's environment if needed. In addition to slight modifications, we also design and manufacture custom concept carts. Our manufacturing environment is unique in that we have a full woods department, a welding department, and an industrial sewing department all under one roof. This allows us to produce orders on a short timeline to better meet the customer's needs.

ROBBINS SPORTS SURFACES

4777 Eastern Avenue, Cincinnati, OH 45226

513-871-8988 . www.robbinsfloor.com

Robbins Sports Surfaces is a premier supplier of high-performance maple and synthetic sports flooring systems to professional and college athletic programs as well as fitness, religious and performing arts. Robbins Sports Surfaces has registered 25 patents over the years, with additional patents pending, and is the only U.S. flooring manufacturer with a full-time research and product development staff. Robbins' unique capability and understanding of the biomechanical interaction between the athlete or performer and floor have recently led to new designs that reduce vibration and increase uniformity, both of which improve athletic performance, comfort and safety. Robbins is also the exclusive distributor of Pulastic synthetic flooring systems in the U.S.

SOFSURFACES

4393 Discovery Line, Petrolia, ON N0N 1R0

800-263-2363 . www.sofSURFACES.com

For nearly three decades, sofSURFACES has relentlessly pursued perfection. We have pioneered every aspect of the design, manufacture and installation of interior and exterior rubber surface tiles. Because we aren't satisfied with merely meeting industry standards, we have developed proprietary processes that allow us to set new standards for quality, durability and value. And independent drop testing proves that our tiles are the safest in the world. We use 100% recycled materials to create long-lasting, attractive tiles that can stand up to the harshest conditions, from weather to wear

TECHNOLOGY ON CAMPUS

AMERICAN TIME

140 3rd Street S. PO Box 707, Dassel, MN 55325
800-328-8996 . american-time.com

Time is not a commodity. How you measure it, work by it and live by it depends on the technology, craftsmanship, quality and pride that goes into each timekeeping piece. This is how we think of our work at American Time. We provide technological solutions such as complete wired, wireless, and network clock systems that ensure time is synchronized across your organization. We also offer replacement clock systems for most major brands, stand-alone clocks and protective wire guards. And we repair most major clock brands. Designed and assembled here in the U.S.A. Quality backed by lifetime customer support. Our products are the reason our customers come to us. Our service is the reason they stay.

AUDIO VISUAL FURNITURE INTERNATIONAL

www.video-furn.com

Audio Visual Furniture International (formerly VFI) was established in 1996 to fill a niche in the video conferencing market for affordable, stylish and durable furniture. Since then, AVF has grown to be an industry leader in the video conference and A/V furniture market by providing excellent products and service at a competitive price. AVF designs, engineers and produces all of its wooden products at its large modern manufacturing facility in Aurora, Ontario. Our products are available from a large selection of distributors and resellers of video conference equipment throughout North America, Europe and around the world. With our large in-stock inventory most orders are shipped either from our factory or U.S. distribution center within 24 to 48 hours of receipt.

FSR INC.

244 Bergen Boulevard, Woodland Park, NJ 07424
973-785-4347 . www.fsrinc.com

FSR, established in 1981, manufactures a wide variety of signal management and infrastructure solutions for the audio / video, datacom, education, hospitality, government, and religious markets, including floor, wall, table, and ceiling connectivity boxes, as well as a full line of interfaces, distribution amplifiers, matrix switchers, seamless switchers and HDBaseT & CAT-X signal delivery solutions. The company is an Energy Star Partner and complies with the American Recovery and Reinvestment Act of 2009 to demonstrate its deep commitment to preserving the planet. FSR offers live 24/7 technical and sales support throughout the country from expertly trained technicians and sales representatives. We look forward to working with you!

CBT/SMARTDESKS

317 West Seminary Avenue, Lutherville, MD 21093
800-770-7042 . www.smartdesks.com

SmartDesks offers more than just buying computer lab desks or conference tables as a generic commodity. We offer person-to-person design team interaction and collaboration with our customers. Together, project by project, we are shaping conferencing and education for the 21st century. Every Space is Different: SmartDesks computer desk, computer lab and conference table solutions provide a configured solution for your space and needs. When you are looking for a full scale classroom, computer lab furniture or conference room design solution, rather than a desk-in-a-box, think SmartDesks. Our specialty is designing for your space and pulling together our teams in collaboration with your IT integrators. Using cloud based technology to exchange ideas, concepts & drawings in a holistic integrated cloud platform, we bring together our teams to reach configured solutions to fit your needs, your space, your environment.

TOUCHNET INFORMATION SYSTEMS

800-869-8329 . www.touchnet.com

Since its inception, TouchNet has focused on its unwavering commitment to a seamless unification of campus commerce. Today, our products give you superior edge-to-edge campus commerce automation and integration. Rapid development of advanced technologies ensures your campus is always ahead of the curve. Serving students and other constituents may be your mission, but securing and processing their payments is your challenge. With rising costs, escalating rules and regulations, and ever-growing student expectations for the latest electronic commerce technology, the job gets tougher all the time. We're here to help—not just as a vendor, but as your commerce partner. We look for opportunities where you can save time and money, improve student services, and better secure payment data. We offer you the broadest range of campus commerce solutions available and help you navigate a shifting commerce landscape.

UTILITY VEHICLES

CLUB CAR LLC

800-CLUBCAR . www.clubcar.com

Club Car has transportation solutions for your every campus application. Facilities and Grounds Maintenance offer truck-like performance with our Carryall® utility vehicles. They're available in electric, gas or diesel models that eliminate or reduce emissions and improve versatility. Our street-legal Carryall® LSVs (low-speed vehicles) also carry the load, even off site. With Security, choose from a range of reliable cost-effective electric or gasoline-powered vehicles. People Movers safely move four to eight guests or campus members in our dependable Villager™ LSVs and Transporter™ transport vehicles. In Hospitality, you can improve food and beverage sales with our Café Express hospitality vehicle. Club Car offers an active custom solutions department, transportation solutions audits and the largest selection of commercial accessories on the market.

Wellness Assessment Software and Equipment

MicroFit is a complete wellness and fitness assessment system with easy-to-use software and optional testing equipment that is connected to your computer and controlled by the software. Over 300 colleges have used MicroFit to assess the wellness of their students, faculty & staff and community members. They use it in:

- Student Recreation and Fitness Centers
- Physical Education, Health and Fitness Classes
- Faculty and Staff Wellness Programs
- Community Fitness Programs

"Stanford University started a campus wide wellness program in 2007 utilizing the MicroFit System to provide fitness assessments for faculty and staff. It's ease of use and report functions have made this component a valuable tool in promoting a culture of wellness on campus."

Ms. Jennifer Sexton
Coordinator of Recreational Fitness & Wellness
Stanford University, Stanford, CA
